Comprehensive School Mathematics Program (CSMP) stands for both the name of a curriculum and the name of the project that was responsible for developing curriculum materials in the United States. Two major curricula were developed as part of the overall CSMP project: the Comprehensive School Mathematics Program (CSMP), a K/6 mathematics program for regular classroom instruction, and the Elements of Mathematics (EM) program, a grades 7|12 mathematics program for gifted students. EM treats ...

Comprehensive School Mathematics Program - Wikipedia  
The primary goal of the Comprehensive School Mathematics Program. is to provide a complete kindergarten through sixth grade mathematics program which develops a broad and balanced range of skills regardless of students' ability levels—a program that will actively involve students in the world of mathematics, not simply drill them in the techniques of arithmetic. As a result, students will be able to understand the content and applications, develop techniques for learning them, and use their ...
