"Blood and Debt. is much too rich in concepts and supporting descriptive events to give deserved justice in a brief review. Clearly, it is an outstanding study, destined to be the standard work in the area for some time to come."--Robert Looney, Journal of Political and Military Sociology

~~Blood and Debt: War and the Nation State in Latin America ...~~

Our understanding of the rise of the nation-state is based heavily on the Western European experience of war. Challenging the dominance of this model, Blood and Debt looks at Latin America's much different experience as more relevant to politics today in regions as varied as the Balkans and sub-Saharan Africa.
