Bronze, Silver and Gold papers. These Core and applied papers are not actual exam papers. They have been put together so that the Bronze papers are made up of the questions students found easier, the gold ones contain all the questions students found really hard and the the silver ones are made up of the questions that were somewhere in between. You may find that some of the questions are quite similar in a paper (which obviously wouldn't happen in a real paper), but they are a really good ...
