Surrounding intimate partner violence and the importance of actively challenging this stigma. Through examples of survivors who have triumphed over past abuse, the book presents a new way to understand the dynamics of abusive relationships as well as demonstrates the strength, resourcefulness, and resilience of victims and survivors. Overcoming the Stigma of Intimate Partner Abuse offers professionals, survivors, and communities an action plan to end stigma, support survivors, advocate for better response systems, raise awareness about abuse, and prevent violence.

Gender Equality has not yet been achieved in many western countries. Switzerland in particular has failed as a forerunner in integrating women in politics and economy. Taking Switzerland as a case study, the authors critically reflect the state of gender equality in different policy areas such as education, family and labour. The collection of articles reveals how gender

## Read PDF Ening With Perpetrators Of Domestic Violence Practical Techniques

policies and cultural contexts interact with social practices of gender (in)equality. They also outline the gender(ed) effects of recent changes and reform strategies for scientists, politicians and practitioners.

Are you a social work student looking to understand how the law, ethics and social policy interrelate in practice? Then look no further! Whether you a student or Newly Qualified Social Worker working with children and families or adults at risk of harm, this
