So let's take a look at the essentials when it comes to pacing the lesson and the learning: 1. Create a Sense of Urgency. The true art of pacing lies in creating a sense of urgency and also not leaving your students in the dust. Think diligent pace but not frenetic. This pacing feels just right to most learners in the room.

Curriculum Pacing Guides - Ontario Local School District

Sunday, October 7. One of the most challenging things for a (new) teacher is planning and pacing the curriculum. After all, there are so many different standards to teach, practice, and assess, and so little time. Whether you teach middle school ELA or high school English at a school where you have a strict pacing guide or if you teach at a school where you have complete freedom in your planning, planning for year-long ELA instruction is tough.
