Police Officer's Guide to K9 Searches by Stephen Mackenzie

by Stephen MacKenzie. Modern Police Officers have an impressive number of tools at their disposal, all of which take some experience to deplaoy properly. Of all these tools, none is more mysterious than the Police Dog. This book helps both the non-K9 Officer as well as the new K9 Officer, by defining the different situations in which K9 can be helpful, how the dog functions during a search and what officers can do before and during a search to assure success.

Police Officer's Guide To K9 Searches

This book is fairly basic. It appears to be intended for all police officers, not K9 handlers. It gives a good, basic overview of each type of search work K9s do. It would be very helpful to K9 handlers if all police read this. It would help other officers understand the abilities and liimits of each type of K9.
