The reason for building rapport is so that you can establish a connection with someone. This helps make your hypnosis or NLP session more successful, as the other person will trust you and will feel more comfortable with the process. However, there may be times when it's useful to break rapport with another person.

[Build Rapport Fast With These Matching & Mirroring Techniques](#)

Building rapport is the process of establishing that connection. It is usually based on shared experiences or views, including a shared sense of humour. Building rapport tends to be most important at the start of an acquaintanceship or working relationship. The rapport created, however, can last for many years.
