The Fifth Child - Wikipedia

‘ “ The Fifth Child ” is a book to send shivers down your spine, but one which it is impossible to put down until it is finished. Doris Lessing ’ s power to captivate and convince is evident from the first, and the effect of the odd, alien child on the family is conveyed with quiet understatement which adds to the mounting sense of horror. ’

About The Fifth Child. Doris Lessing ' s contemporary gothic horror story—centered on the birth of a baby who seems less than human—probes society ' s unwillingness to recognize its own brutality. Harriet and David Lovatt, parents of four children, have created an idyll of domestic bliss in defiance of the social trends of late 1960s England.
