Saudi Arabia - Saudi Arabia - Political process: Participation in the political process is limited to a relatively small portion of the population. There are no elections for national bodies, and political parties are outlawed. Women's participation in politics is traditionally limited, although women were allowed to run for seats on municipal councils beginning in 2015.

The Political Economy of Saudi Arabia eBook: Tim Niblock ...

The political economy of various Arab countries has become closely attuned to the dynamics of capital accumulation in the Gulf itself. The upshot of all of this is that the Gulf — and here we need to be cognizant of the rival, competitive tensions between the different Gulf states — has a key stake in the region's overall political economy.
