~~THE WONDERS OF WATER~~

The wonders of water. by Jonathan Sarfati. Water! We drink it, wash in it, cook with it, swim in it and generally take it for granted. This clear, tasteless and odorless liquid is so much part of our lives that we hardly ever think about its amazing properties. We would die in a few days without water—and our bodies are 65% water.

~~The wonders of water - creation.com~~

Water helps the body combat skin conditions and improve complexion. Water does this by helping the body flush out toxins. "In addition, one study by the University of Missouri-Columbia found that drinking two cups of water increased blood flow to the skin, which can help even out your skin tone and complexion" as reported in Manna Hydration.
